Good Friday Worship

We will aim to meet as CGs on Good Friday, even though we are not able to share bread and wine together. Our usual arrangement is to not meet on the Wednesday before. (CGs are, of course, free to meet when ever they want)

Sadly, all the planned events and meetings at church have had to be cancelled according to Government guidelines and their enforcement. This includes the Easter events, the KYB Ladies' Day Conference AND the Church Members' Annual General Meeting.

Into **May**: It is most unlikely that there will be Men's Breakfast, Joint Prayer Meeting at Wappenham, Coffee Morning or Northants Creation Group Meeting.

The disruption of our daily lives can cause precious meetings and times of encouragement to be experienced in different, unfamiliar ways; family life to be restructured and possible isolation from loved ones.

Our dear brother Andy Little, who would have ministered here in March at the Bible Exhibition and then the following Sunday, is hoping to post a helpful series of brief messages entitled 'Hope in times of Anxiety' directly on to YouTube. You can access these by following this link through Google

PASTORAL CARE

- ◆ We don't want people to be either (a) weighed down by doing too much for others or (b) needing some help but not receiving it.
- ◆ The elders and deacons are trying to identify both these situations. Please do not continue in either need—get in touch.
- ◆ CDs of services will be available—we will deliver if you phone and request.
- ◆ Similarly, if you would like to borrow a hymnbook from church, this also could be delivered.
- ◆ Why not use the space on the back page as a 'prayer prompt', folk and situations that are on our hearts!
- ◆ Julia Horne will commence as our Womens' Worker this month.
