Pastor Paul writes -

The grace of the Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all – 2Cor 13:14

These little devotionals now have less space, so we are changing what we've been doing to a more catechism approach (like Firm Foundations). A catechism is the ultimate for teaching you a lot of great truth in a small amount of space!

What does the Bible teach about the Trinity?

That there is only 1 God, the living and true God. Yet there are 3 persons in the Godhead, the Father, the Son and the Holy Spirit, each fully God, but these 3 are 1 God, the same in essence, equal in power and glory. The Bible shows the Son and Holy Spirit are both fully God equal with the Father, by ascribing to them such names, attributes, works and worship that belong to God only.

Here are some quotes about the Trinity that have helped me:

\*"Unless we grasp this (that God is Triune), only the bare and empty name of God flits about in our brains, to the exclusion of the true God '(John Calvin).

\* 'I cannot think on the one without quickly being encircled by the splendour of the three; nor can I discern the three without being straightway carried back to the one (Gregory of Nazianzus)

\*\*This doctrine is the foundation of all our communion with God, and comfortable dependence on him' (1689 Baptist Confession).

\*\*The Trinity is not a puzzle to be solved, but a relationship to be enjoyed. If God is a Father, whose very life has been about loving and delighting in His precious Son, then you begin to see a God who would have far more intimate and marvellous aims, aims to draw us into His life and joy, to embrace us with the very love He has for His dear Son '(Mike Reeves).

Let us meditate on these wonderful truths.
